Участники проекта «Активный гражданин» жертвуют свои баллы в фонд «Жизнь как чудо». Москвичи участвуют в общественных обсуждениях вопросов городского развития, а затем голосуют в электронной форме. За это они получают баллы и обменивают их на поощрения. Это могут быть скидки в различные магазины или пожертвования в фонды.

Благодарим всех, кто выбрал нас! Все средства от проекта будут направлены на поддержку детей, которые ведут свою борьбу с тяжёлыми заболеваниями печени. Напоминаем, что информацию об активных кодах можно посмотреть в списке, представленном ниже.

Если вы не нашли свой код, пожалуйста, обратитесь в техническую поддержку по форме обратной связи.
